

# Bi-fold door with fixed side panel

The Smart Design range offers an innovative design for easy installation but with slim profiles, slender handles and no visible screws it is also sleek and modern in design. The bi-fold door folds inwards or outwards to create a large opening space and with fixed side panel it is designed for a corner installation.

- Aluminium profile available in white or chrome finish
- Pivot profiles mean the door can open 180° inwards or outwards
- Optional threshold bar included
- Reinforcement bar in chrome effect (1200mm maximum)
- Easy closing; metal hinges with stepped indexing, that match the profile colour chosen
- Reversible panels
- Anti-limescale treatment
