

Quadrant with sliding doors

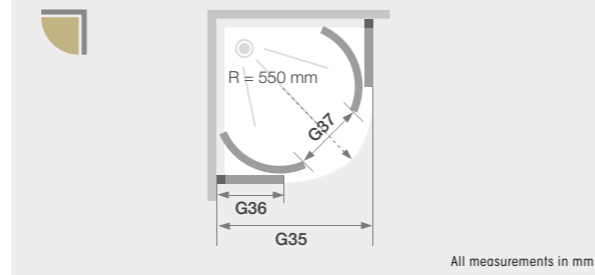

The Smart Design range offers an innovative design for easy installation but with slim profiles, slender handles and no visible screws it is also sleek and modern in design. This quadrant comes with two sliding doors and with rollers that unclip at the bottom and no overlap between the door and fixed panel cleaning is easy to keep it looking as good as the day it was installed.

- Aluminium profile available in white or chrome finish
- Easy to install with quick assembly, pre-mounted rollers
- Easy cleaning: The door and fixed panel do not overlap, plus the bottom of the door can be unclipped if necessary
- Comes with rollers already fitted for easy installation
- Anti-limescale treatment
